

Hospitality & Travel Workgroup Working Group Charter

This Working Group Charter establishes the Scope and intellectual property terms used to develop the materials identified in this Working Group Charter for the Project. Only Project Steering Members, Associates, and Contributors, as applicable, that Joined this Working Group Charter will be bound by its terms and be permitted to participate in this Working Group.

1. Working Group Name. **Hospitality & Travel Workgroup.**
2. Working Group Scope. To create and define key governance principles for standards, schemas, processes, and related documentation designed to support the exchange of self-sovereign data of travelers, services, and intermediaries in the hospitality and travel industries, and their AI agents.
3. Copyright Policy. Each Working Group must specify the copyright mode under which it will operate prior to initiating any work on any Draft Deliverable or Approved Deliverable other than source code. The copyright mode for this Working Group is.
 - Creative Commons Attribution 4.0, as set forth in DIF Project Charter 4.0.3 Appendix A
4. Approved Deliverable Patent Licensing. Each Working Group must specify the patent mode under which it will operate prior to initiating any work on any Draft Deliverable or Approved Deliverable other than source code. The patent mode for this Working Group is:
 - W3C Mode, as set forth in DIF Project Charter 4.0.3 Appendix A,
The assurances provided in the selected patent mode are binding on the Working Group Participant's successors-in-interest. In addition, each Working Group Participant will include in any documents transferring ownership of patents subject to the assurance provisions sufficient to ensure that the commitments in the assurance are binding on the transferee, and that the transferee will similarly include appropriate provisions in the event of future transfers with the goal of binding each successor-in-interest.
5. Source Code. Working Group Participants contributing source code to this Working Group agree that those source code contributions are subject to the Developer Certificate of Origin version 1.1, available at <http://developercertificate.org/>, and the license indicated below. Source code may not be a required element of an Approved Deliverable specification.
 - Apache 2.0, available at <http://www.apache.org/licenses/LICENSE-2.0.html>.
6. Non-Working Group Participant Feedback and Participation. Upon the Approval of the Working Group Participants, the Working Group can request feedback from and/or allow Non-Working Group Participant participation in a Working Group, subject to each Non-Working Group Participant executing the Feedback Agreement set forth in DIF Feedback Agreement

By making a Contribution to this Working Group or adding its name to this Working Group's member list, the member agrees to the terms of this Working Group Charter.
